

Gospel China Bridge Worker Training Program Admissions Guide

Since the beginning of the Gospel China Bridge ministry in Toronto in the year of 2012, the co-workers have been continually receiving requests from the preachers for systematic training. After a period of prayers, God has shown us a common vision that the Chinese church needs shepherds who is able to rightly dividing the word of truth. In response to this need, we began the series study of Gospel China Bridge Worker Training Program.

The series is divided into the following three major parts:

- 1) Bible Truth (interpreter Bible, Bible theology, systematic theology, linguistics, heresy and extremes, etc.)
- 2) Biblical Servants (servants' character/life, devotion, preaching, family service, etc.)
- 3) Biblical Church (Church history, church planting, pastoral church, administration of church, co-workers, mission, etc.)

Teaching method and time

The first training will be held from November 12 to 21, 2019. The location is in Toronto. We recruit students who come to Toronto to attend class in person, also recruit students who could not come and to choose attending class online. Every day during class period, we have two sessions in the morning and evening, and each session has four hours, from 6 o'clock to 10 o'clock. (Toronto time) This takes care of the students from mainland China who are attending classes online.

The course Biblical Church will be delivered by Brother Paul Washer and Brother Michael Durham, translated by Brother Larry Pan. Students need to go through the book of Acts before the start of the course and to answer two questions: What should a minister called by God look like? What the biblical church should be (characteristics)? Please list the corresponding scriptures in the book of Acts that support the answer.
